

LEGENDS

Powered by Under Armour

Legends Baseball is a 501C (Tax ID # 01-0917335) youth baseball organization with teams ranging from 8U to 18U. Legends Baseball was established in 2008 as a single 10U team and has grown to become one of the top programs in Central Florida. There are over 250 players in the organization, and we have had over 100 players signed to colleges or drafted since 2014. Due to our mentioned success, Legends Baseball has partnered with Under Armour and became Legends Baseball Powered by Under Armour since 2019.

Our family's lives have always been involved in baseball. My dad started a Little League program in California in the 1960s. At that time, Ronald Reagan was the governor and he signed off on my dad's plans and leased the fields allowing the Little League Baseball dream to happen. My dad went on to scout for the Houston Astros for 20 plus years.

Starting Legends Baseball gave my dad the opportunity to be involved with Trevin, my son, and his grandson. When Trevin turned 3, he was diagnosed with Cystic Fibrosis. As Trevin grew older, so did his love for the game of baseball. The doctors felt playing baseball was a contributing factor in helping keep his lungs healthy. Trevin went on to receive a college baseball scholarship. The CF foundation believes Trevin is the first child with CF to earn a scholarship in baseball. Trevin also played on a team that won a college world series, also a first for a CF person.

In 2016, after Trevin graduated high-school, I planned to end the Legends program. However, in 2017 my dad passed away, so Trevin and I decided to continue to grow the baseball program to keep my dad's legacy alive and to coach together. Shortly after, I asked God to show me the path to grow the program. In the end, Legends Baseball would ultimately become a Christian based program while mentoring and developing young children in more ways than just baseball.

In October of 2021, we were able to purchase our own facility located at **6051 Highway 640, Bartow, FL.**, the heart of Polk County. Legends Baseball has hosted many baseball camps throughout the year, as well as free Bible baseball camps. The facility is 5.8 acres, has 6 covered batting cages, a full gym, 1 practice infield with lights, a turf warm up infield with lights, and 1 game size field. We are in the process of remodeling a clubhouse for our players/coaches, an office, a fishing pond, and a fire pit area with picnic tables. Our players now have a place to call "home base".

We offer sponsorship packages and are fully tax deductible. Your sponsorship will assist in furthering the development of youth participation in the game of baseball.

Our sponsorship packages are as follows:

White Level - \$250. This level will include: Your business name, logo, and contact information posted to our Website, Facebook, Instagram, and Twitter page.

Red Level - \$500. This level will include: The White Level and a Banner at our facility with Your business name, logo, and contact information.

Gray Level - \$1000. This level will include: The White & Red Level as well as Your business name on our yearly sponsor shirts for players/parents. (Approximately 500 people will be given shirts)

Black Level - \$1500+. This level will include: The White, Red, & Gray Levels along with Your business name and logo on a Travel Banner that we will take to social events we participate in. This level will also include a plaque from Legends Baseball as a Thank You for your sponsorship.

Legends Baseball would like to personally thank you in advance for your consideration. Any donation will truly help in keeping our players playing baseball within our community for many years to come.
